10 September 2007

Dear Professor Yang Guo-Zhen

I am delighted to inform you that, in recognition of your significant contribution to physics, Council has elected you to Honorary Fellowship of the Institute.

Council has also elected Sir Richard Friend and Dr Hermann Hauser to Honorary Fellowship and I enclose, for your information, a list of current Honorary Fellows.

On behalf of Council and the Institute, I would like to offer you my sincere congratulations on your election; this honour is only conferred on physicists for their distinguished contribution to physics and the Institute.

Honorary Fellowships are usually bestowed at the Institutes Awards Dinner, which next year is being held on 24 January 2008 at the Intercontinental London, Park Lane, London. You will receive an official invitation to the dinner in late October.

I do hope that this will be possible for you to attend and I look forward to seeing you on that occasion.

With kind regards

Yours sincerely
