## CALL FOR NOMINATIONS

## IUPAP Young Scientist Prize In Atomic, Molecular and Optical Physics 2013

Nominations are sought for the Young Scientist Prize in Atomic, Molecular and Optical (AMO) Physics, which will be awarded in 2013 for the seventh time by the International Union of Pure and Applied Physics through Commission C15 (AMO Physics). The prize will be awarded during the XXVIII International Conference on Photonic, Electronic and Atomic Collisions (ICPEAC 2013) to be held in Lanzhou China, 24-30 July, 2013. The Prize includes a medal, a EURO 1000 award and an invited presentation at ICPEAC 2013.

Nominees for the 2013 award are expected to have made original and outstanding contributions to the field of AMO physics.

If the work was performed in collaboration, the leading personal contribution of the nominee must be clearly identified. To qualify as a "Young Scientist," a nominee for the prize should have had, by 1 January 2013, no more than 8 years research experience (excluding career interruption) following the PhD. That is, the year of the PhD must have been 2005 or later, barring career interruptions.

Nominations should include:

- A brief paragraph stating the achievement for which the nominee is to be recognized.
- Curriculum vitae including all publications.

Self-nominations will not be considered.

## Deadline is 30<sup>th</sup> April 2013.
